

Fri, 07 Dec 2018 22:12:00 GMT cluster randomised trials chapman hall pdf - A cluster randomised controlled trial is a type of randomised controlled trial in which groups of subjects (as opposed to individual subjects) are randomised. Cluster randomised controlled trials are also known as cluster randomised trials, group-randomised trials, and place-randomized trials.. A 2004 bibliometric study documented an increasing number of publications in the medical literature ... Mon, 26 Nov 2018 00:07:00 GMT Cluster randomised controlled trial - Wikipedia - A randomized controlled trial (or randomized control trial; RCT) is a type of scientific (often medical) experiment which aims to reduce bias when testing a new treatment. The people participating in the trial are randomly allocated to either the group receiving the treatment under investigation or to a group receiving standard treatment (or placebo treatment) as the control. Thu, 04 Oct 2018 21:27:00 GMT Randomized controlled trial - Wikipedia - The PBO long-lasting insecticidal net and non-pyrethroid indoor residual spraying interventions showed improved control of malaria transmission compared with standard long-lasting insecticidal nets where pyrethroid resistance is

prevalent and either intervention could be deployed to good effect. As a result, WHO has since recommended to increase coverage of PBO long-lasting insecticidal nets. Sat, 08 Dec 2018 13:21:00 GMT Effectiveness of a long-lasting piperonyl butoxide-treated ... - A comprehensive radio campaign had no detectable effect on child mortality. Substantial decreases in child mortality were observed in both groups over the intervention period, reducing our ability to detect an effect. This, nevertheless, represents the first randomised controlled trial to show that mass media alone can change health-seeking behaviours. Fri, 07 Dec 2018 08:58:00 GMT Effect of a mass radio campaign on family behaviours and ... - Randomisation was by individual or household (n=80) or by clusters of general practices, community groups, or municipalities (n=9). The total number of people randomised was 97 984 with a median of 321 (range 54-43 219) in trials. Fri, 07 Dec 2018 04:54:00 GMT Complex interventions to improve physical function and ... - Professor Paul Little MBBS, BA, MD, DLSHTM, MRCP, FRCGP, FMedSci Professor of Primary Care Research Related links. Professor Paul Little is Professor of

Primary Care Research within Medicine at the University of Southampton. Wed, 01 Apr 2015 22:05:00 GMT Professor Paul Little | Medicine | University of Southampton - My research interests are within the field of Health Psychology, including psychological impact of disease, factors influencing coping and adjustment to disease, evaluation of health services, health education and behavioural interventions, measurement, evaluation and interventions within health professional-patient communication, predictors of treatment compliance, psychometric measurement ... Fri, 07 Dec 2018 15:53:00 GMT Professor Phyllis Butow - The University of Sydney - Community-acquired pneumonia (CAP) is a leading cause of hospitalization and death worldwide. 1-3 Most guidelines recommend that antibiotic treatment be based on the severity of disease at ...
